March competitions are subject to weather

This year we plan to have our Mundole Dressage Finals and Show Jumping Finals and Arena Event Finals in October

For Show Jumping Finals riders and their horses have to achieve 4 double clear rounds to qualify to compete in the finals. When 4 double clears are achieved you have qualified! As with dressage you qualify at the level you have achieved.

For Dressage Finals

W&T and Prelim qualify for the Prelim Final

Novice for the Novice Final

Elementary and above for Open Final where tests will be appropriate to qualifiers

Points awarded – 5 for scores between 55 and 60% in each class, 10 for scores over 60%

If there is a score at the next level to previous points, points then restart at the next level and previous points are disregarded for qualifying. The first 15 in each section qualify for the finals.

For Arena Event Finals

The first 10 in each class qualify for the Arena Event Finals in October.

Points are allocated to each horse/pony and rider combination and will be available to view on website after each show. Prizes awarded to combination with the highest points March-October. Prizes for winners at Finals.

Cross Country Training available. To book Tel: 07901 602042
