31-10-21	SHOW JUMPING FINALS	22-10-21

NO ONE WITH FLU-LIKE SYMPTOMS TO ENTER MUNDOLE EQUESTRIAN.

The plan is to start with 2 'USE OF FACILITIES' events. This will be the same format as a show but with the focus on USE OF FACILITIES IN COVID TIMES. **Social distancing is paramount.** Riders must not come more than 1 hour before their first time. All riders can jump 2 rounds at the height they choose. 15 riders per 'bubble'. When finished their 2 rounds competitors must exit the premises as soon as convenient so the box park is clear for the next 'bubble of 15 riders'

Times will be allocated for each rider and there will be an allocated time to walk the course.

Box Parking 3 metres minimum apart in box park. On arrival, please tick off name on list at arena entrance, walk course, give order to caterer if wished then tack up in box if possible. If not please tack up quickly outside and go to Warm up areas. Hand gel at Arena entrance.

Warm up 1 is a walking area only – 4 horses maximum. Warm up 2 is where you can school/jump as required – 4 horses maximum. For Show Jumping go to Red area 3 minutes before your allocated time. For Dressage go to Red area 15 minutes before your first time. Move to yellow area then green area as these become vacant. Green means enter arena. Exit arena straight into box park and return to your box/prepare for next round/test. When finished please collect any food/drinks ordered from caterer and leave the box park as soon as practical. Please make sure you have tidied up any muck or hay in box park before leaving.

Entries and payment to be with secretary a week Friday before each event. Can be posted with payment through letterbox at Mundole Farmhouse if preferred. PLEASE GET ENTRIES IN ON TIME!

Show Jumping £8 per class + £1 First Aid Dressage £9 per class + £1 First Aid

Entries to [mundole1@btinternet.com](mailto:mundole1@btinternet.com) by Closing date as above
