

Results of Mundole Equestrian Dressage 23-05-21

With Covid restrictions in Moray being lifted in Moray just on Friday, dressage was able to run at Mundole Equestrian. Judges Denise Smith, Alves and Jill Davidson, Perth congratulated competitors on their turnout and good timing helping the smooth running of the competition. Some very well executed tests gave others pointers to getting more marks in their tests. Competitors came from Dores to Portsoy – Candy Cameron from Loch Ness Riding brought 2 horses who performed well in both Elementary classes. Zoe Lander from Portsoy collected a 2nd and 3rd place in only her second outing with Tor Boy.
