Super conditions for dressage at Mundole Equestrian's first event of 2022 - Mad March Dressage. Judges Wilma Halkett, Rothiemay and Steven Cruickshank, Elgin were pleased to be judging outdoors again and commented on the high standard of presentation. Great to see Sheena Dean being placed just ahead of her granddaughter, Jessica Davidson - a partnership to look for in the future.

For the first time competitors had a freestyle option to try without music. This is where riders make up a test and are scored for their Harmony and Partnership as well as the inventiveness of the choreography.
